

WE ARE HIRING!

Junior SAP FI-CO Consultant (m/f)

Everything is about IT and innovation

You think entrepreneurially, are looking for success in an ambitious team and attractive development opportunities with many-sided challenges: apply at Plaut! Flat hierarchies and an open working environment are at the centre of our culture. We react quickly and agile to market requirements and support innovative customer projects. We are part of one of the largest globally active German IT companies, the owner-managed msg-Group with more than 6,500 employees.

WE OFFER YOU:

After intensive training by experienced colleagues it is our common goal:

- That you choose our consultants at national and international level Supported projects from the beginning
- That you are on the team or responsible within our team Customer projects develop innovative solutions and these directly in the IT and SAP systems of our customers
- That you handle the processing of customer specific requirements and the take over the subsequent mapping in SAP
- That you optimize existing processes and processes in the SAP environment
- That you use our customers in the efficient use SAP modules through training, documentation and second-level Support supported

YOUR FUTURE ACTIVITY:

- In the first 12 weeks, we will use the SAP Learning Hub to teach you everything you need to know for a successful entry into SAP consulting
- The culmination of the training phase is an SAP certification in your focus module within SAP FI-CO
- Then you get the first own tasks in projects and master them with the customer independently or together with your colleagues
- A mentor gives you support in the first year, but also enough space for you to play the role of SAP FI-CO Consultant can grow in well
- Permanent employment contract after completion of the probationary period
- Attractive work-life packages

YOUR PROFILE TO MOVE FORWARD TOGETHER:

- You have a degree in economics, (business) computer science or a comparable education
- First work experience with SAP or another ERP solution before or during your studies is an advantage
- You have a strong IT affinity and / or a good understanding of complex relationships and processes
- You are a communicative person and have a quick grasp
- Constant readiness to learn, pronounced team orientation, independent work and willingness to take responsibility
- Unrestricted willingness to travel within Austria
- Very good, fluent speech and presentation skills in German and English
